SITE PLAN

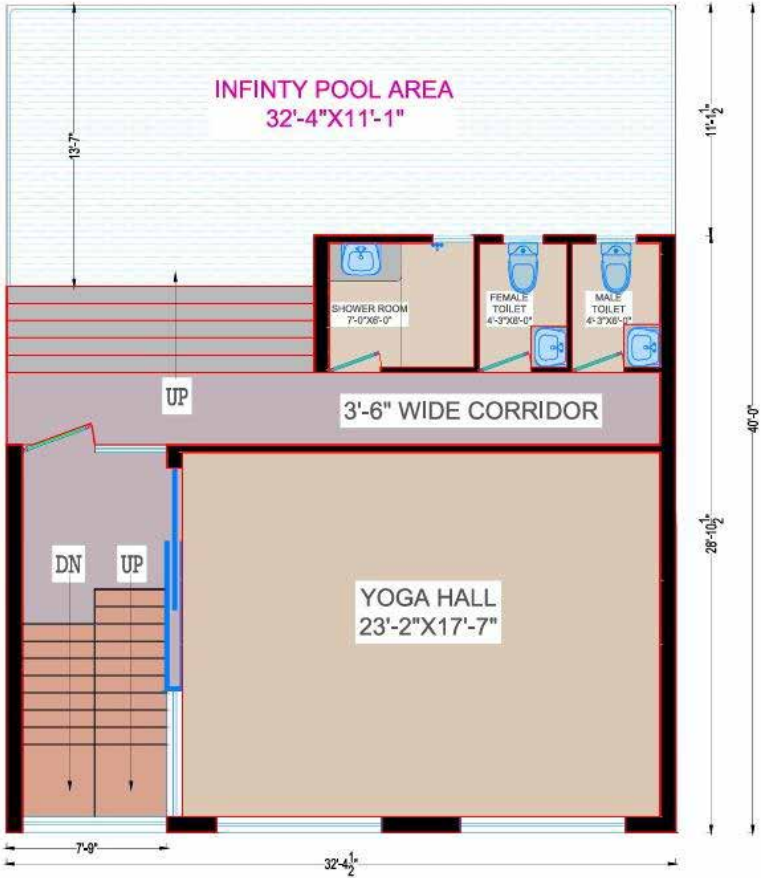

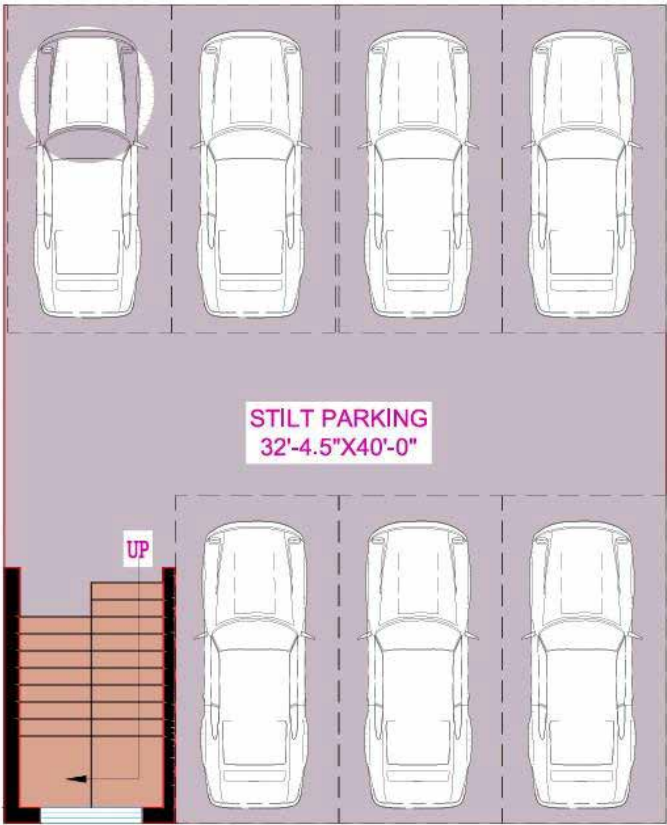

The site plan has been thoughtfully organized to prioritize functionality, smooth circulation, and efficient use of space. The still parking level is designed to comfortably accommodate vehicles while maintaining clear movement paths for both residents and visitors.

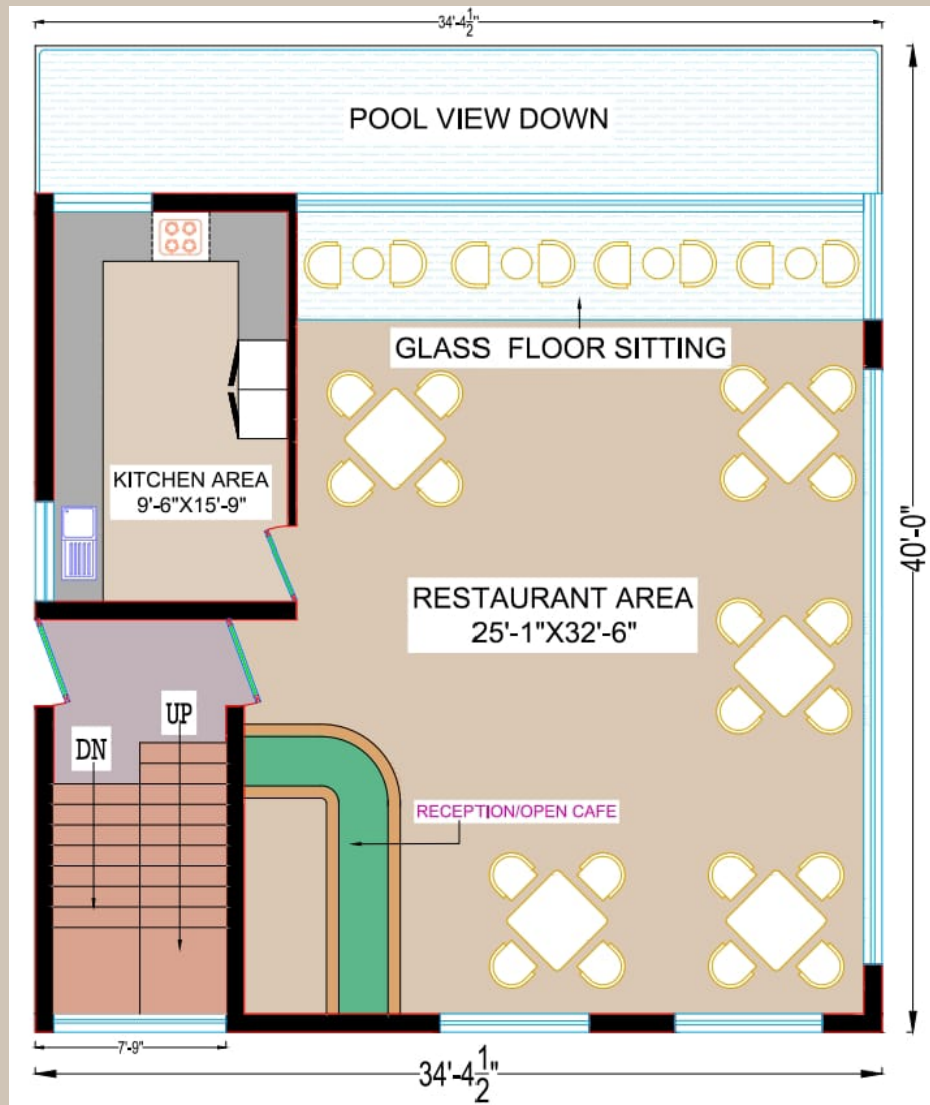

TYPICAL FLOOR PLAN

STLIT & FIRST FLOOR PLAN

CLUB HOUSE MODEL

APARTMENT ONE

The first version replaces the solid partition with a **glass partition wall**, creating a brighter and more open environment. The transparent division allows natural light to travel effortlessly across the apartment, enhancing visual spaciousness while still defining individual zones within the home.

APARTMENT TWO

The other version features a **solid partition wall with an integrated door**, providing clear separation between the sleeping area and the living space. This option ensures added privacy, acoustic comfort, and a more enclosed feel while maintaining the compact charm of a studio layout.

A NATURAL LIFESTYLE THAT ADDS YEARS TO YOUR LIFE

Oni Village offers a powerful natural healing environment:

- ☑ Oxygen-rich fresh air
- ☑ Natural pure water
- ☑ Serene Sal forests
- ☑ Calming bird sounds
- ☑ Zero noise & zero pollution
- ☑ Peaceful, non-crowded surroundings

Living here can genuinely improve your health, reduce stress,
and create a lifestyle so pure it feels like
adding 5–10 healthy years to your life.

This is true mountain wellness – pure, powerful, and natural.
